The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1	"The defendant shall not unlawfully possess a controlled substance."
2	"The defendant shall refrain from any unlawful use of a controlled substance."
3	"The defendant shall not own, possess, or have access to a firearm, ammunition, destructive device, or dangerous weapon (i.e., anything that was designed, or was modified, for the specific purpose of causing bodily injury or death to another person such as nunchakus or tasers)."
Nature of Noncompliance	On October 12, 2022, Flores submitted a urine specimen which tested positive on an NITD for cocaine. On the same date, he admitted to use of the illicit drug with a neighbor and signed an admission form.

On October 15, 2022, contact was made with Flores at his residence for a home inspection. The residence is a 3-bedroom, 2-bath home that has two large storage units that are used for yard tools storages. The property is over 2 acres. Several riffles were located in the dining room in a glass gun cabinet. There were also two riffle bags in the master bedroom. None of them appeared to be secured.
